Our Vision

Lucky Paws is a non-profit animal shelter that provides a cage free living environment to dogs, cats and bunnies that have been rescued from high kill shelters. All Lucky Paws animals are vetted, socialized with many volunteers and eventually adopted after a screening process. Kelly Perry provides formal and informal educational programs to assist and educate children from pre-school to high schools in various school districts, community service groups, and charity luncheons about the importance of animal welfare which includes spaying and neutering, responsible lifetime pet ownership, positive training and good nutrition. I hope to inspire fellow rescuers as well as humankind that a free roaming environment for traumatized animals is the most humane existence. Lucky Paws offers service groups a loving shelter experience to mentor future generations as well as cultivate relationships to change legislation to drastically change the euthanasia rate.

Lucky Paws is a cage free, publicly funded no-kill shelter. We are the first no-kill shelter located in Scottsdale,

READY TO BE SCHOOLED?

Kelly Perry of Lucky Paws provides animal welfare classes to ages pre-school up to high school and has been doing so for many years. These classes can be ongoing weekly for Biology or related studies or for just morning announcements!

Discussions vary on age appropriate material and understanding. They may include but are not limited to spaying and neutering, the importance of animal welfare and rescue, different breeds and their needs along with a question and answer time allotted.

Times can range from 20 minutes to 1 hour and always includes a furry friend or two!

Lucky Paws also shares the extraordinary no-kill, hands-on, shelter experience in person with groups of children (girl scouts, boy scouts, field trips, etc.) by group appointment.

Please contact Lucky Paws Animal Shelter via email at LuckyPawsAnimal@gmail.com or call Lucky Paws and ask for Kelly Perry at 480-941-4135.

Together, with education and dedication, there will be no more need for rescue groups!

Looking to Volunteer?

WE'D LOVE TO HAVE YOU JOIN US! Volunteers are always needed and appreciated! We do ask that if you are under the age of 18 that you are accompanied by a parent and/or legal guardian.

Volunteers are required to attend an orientation before being allowed to volunteer. Volunteer Orientations are held quarterly at 9:30 am.

Volunteers should wear clothing that is okay to get dog and cat hair on, comfortable shoes and sunscreen if you are assisting outdoors. Lucky Paws is located right next to the canal and it is a favorite for the dogs to get walked! Our volunteers also help in cleaning the rooms, getting them water and bedding, and of course, giving all the animals lots of love and attention. Who knows, you may even meet a new forever friend! Please visit us at www.LuckyPawsAZ.org for more information!
