

A SMALL BUT MIGHTY GROUP!

Preschoolers at Primrose Schools spent a month learning about precious pets and what it takes to help them. The program culminated with a generous donation of 246 canned and dried pet food items and supplies to Lucky Paws Shelter.

"At Primrose Schools, our Precious Pets program provides an opportunity for children to experience the special value of helping others, including animals," says Susan Bartlett, franchise owner of Primrose School of South Gilbert. "Through hosting the annual pet food and supply drive, we're not only able to teach them the importance of lending a helping hand, but we're showing them how they can make a difference."

Do you have a photo that would be a perfect fit for this page? One that captures life in Gilbert and shows what you love about your community? If so, we want to see it. Submit your photo—1 MG or larger, please—to michelle@gogilbert.com. Your submission could end up on this page!
